

TREES FOREVER PROGRAM

The City of Wilmington invites you to honor a loved one or celebrate a special occasion - by planting a tree along a city street or a park location within your geographic district. Your event or loved one will not only be remembered, but you will be helping to enhance your community.

How Does The Program Work?

- Fill out and return the attached form
- City staff will work with you to choose and plant your tree as close to your preferred location as possible
- Trees will be planted during fall and winter months
- Please feel free to plan a site visit or hold a private dedication ceremony once your tree has been planted
- General tree maintenance will be handled by the City of Wilmington Tree Management Division

Suggested Tree Species

- Live Oak
- Shumard Oak
- Crape Myrtle
- Zelkova
- Dogwood
- Red Bud
- Purple Leaf Plum
- Snow Goose Cherry
