Dear Homeowner:

Thank you for your interest in the City of Wilmington Housing Rehabilitation Program. Please find enclosed the Rehabilitation Information Sheet. Completing and submitting this document along with other requested documentation is the first step towards working to resolve your home rehabilitation needs.

Please be sure to fill out the Rehabilitation Information Sheet as completely as possible and submit all requested documents as incomplete packages will delay the processing of your information. You may return the Rehabilitation Information Sheet and **copies** of the additional requested documents to P.O. Box 1810 Wilmington, NC 28402 or you may drop the package at our offices located at 305 Chestnut St. 2nd Floor during regular business hours which are Monday through Friday 8:00 am – 5:00 pm.

Please allow a minimum of ten business (10) days for your information to be reviewed. A housing counselor will contact you to discuss your information and let you know whether or not you qualify for any of our rehabilitation assistance programs.

Should you have any additional questions regarding the program or completing the enclosed form, please do not hesitate to contact me for assistance. I may be reached at 910.341.7836 or by email at dana.blanks@wilmingtonnc.gov.
