

Project Learning Tree

Tues 6/19 9 am- 3 pm
Ages: 16/up Cost: FREE

Project Learning Tree® (PLT) is an award winning, multi-disciplinary environmental education program for educators and students in PreK-grade 12. The Project Wet curriculum provides the tools educators need to bring the environment into the classroom and their students into the environment. This workshop will count for 6 hours towards Criteria I of the NCEE Certification and Continuing Education Credits.

Project Wild

Fri 8/17 9 am - 4 pm
Ages: 16 and up Cost: FREE

Project WILD is a wildlife-focused conservation education program for K-12 educators and their students. Project WILD is one of the most widely-used conservation and environmental education programs among educators of students in kindergarten through high school. It is based on the premise that young people and educators have a vital interest in learning about our natural world. This workshop will count for 6 hours towards Criteria I of the NCEE Certification and Continuing Education Credits.
