

**ADMINISTRATIVE POLICY**  
City of Wilmington

<b>Effective Date:</b> 8-25-87	<b>Approved By:</b> William B. Farris City Manager	<b>Policy Number:</b> AP 87-3
<b>Subject:</b> Brick Street Policy		

**Purpose:** To specify the conditions under which brick streets will be repaired, replaced, or rehabilitated.

**Conditions:**

- All brick streets located in the Historic District (HD) and Historic District Overlay (HDO) zoning classifications will be maintained as brick streets.
- All brick streets located outside of the HD and HDO will be placed on the City's street resurfacing program to be resurfaced with another material other than brick at such times as recommended by the Street Rehabilitation Project Team.
- New bricks should be used for major brick street rehabilitation work in the HD and HDO and all existing bricks should be salvaged and moved to the Streets Division storage yard.
- Brick street repair work (for utility cuts, etc.) in the HD and HDO should be done with salvaged bricks whenever possible.
- All repair work done to brick streets located outside the HD and HDO should be done with material other than brick.
