Expenses as used herein shall include without limitation the costs incurred by the CITY, its agents, officials, and employees, in connection with investigating any claim or defending any action and shall also include reasonable attorneys' fees by reason of the assertion of any such claim against the CITY, its agents, officials or employees.

CONTRACTOR expressly understands and agrees that any performance bond or insurance protection required by this agreement, or otherwise provided by the CONTRACTOR, shall in no way limit CONTRACTOR's responsibility to release, indemnify, keep, and save harmless and defend the CITY as herein provided. The intention of the parties is to apply and construe broadly in favor of the CITY the foregoing provisions subject to the limitations, if any, set forth in N.C.G.S. 22B-1.

9. Personnel

It is mutually agreed that the CONTRACTOR is an independent contractor and not an agent of the CITY, and as such the CONTRACTOR shall not be entitled to any CITY employment benefits, such as, but not limited to, vacation, sick leave, insurance, workmen's compensation, or pension and retirement benefits.

10. Conflict of Interest

No paid employee of the CITY shall have a personal or financial interest, direct or indirect, as a contracting party or otherwise, in the performance of this Agreement.

11. Non-Waiver of Rights

It is agreed that the CITY'S failure to insist upon the strict performance of any provision of this contract, or to exercise any right based upon a breach thereof, or the acceptance of any performance during such breach, shall not constitute a waiver of any rights under this Agreement.

12. Suspension or Termination of Agreement

- a) In the event that review of the CONTRACTOR'S performance shows non-conformance to the work required by this Agreement, the Scope of Services or other terms or conditions contained herein as a result of the CONTRACTOR'S errors, omissions or negligent acts, the CONTRACTOR shall be in breach of this contract and the CITY may take corrective action as it deems necessary including, but not limited to, termination, withholding or reduction of payment.
- b) The CITY shall also have the right to suspend this Agreement upon written notice to the CONTRACTOR. Such written notice shall state the reasons for suspension and allow for a review period of ten (10) days during which the CONTRACTOR shall be provided with an opportunity to respond with an explanation or justification, and/or shall undertake any reasonable remedial action required by the CITY. If, in the opinion of the CITY, the CONTRACTOR remains in violation of this Agreement at the completion of the ten (10) day suspension period, the CITY shall have the right to terminate this Agreement whereupon all obligations of the CITY to the CONTRACTOR shall cease.
- c) In the event this project is terminated prior to completion of the services by the CONTRACTOR, the CONTRACTOR shall be paid for services performed to the date of termination. (CONTRACTOR shall be paid for all reimbursable expenses, without markup, which are due him.)
- d) The CITY and the CONTRACTOR shall have the right to terminate this Agreement without cause upon 30 days' notice to the other party.
- e) Nothing contained herein shall prevent the CITY from pursuing any other remedy, which it may have against CONTRACTOR including claims for damages.

13. Assignment of Agreement

It is mutually agreed by the parties hereto that this Agreement is not transferable by either party without the written consent of the other party to this Agreement.

14. Contract Disputes

In accordance with N.C.G.S. § 143-128.1(8) the parties agree to mediate contract disputes in excess of \$15,000.00. Within ten (10) days of such contract disputes, the parties shall select a mediator that is agreed upon by all parties involved in the dispute. If the parties cannot agree on a mediator or do not timely select a mediator, the City shall select the mediator. The parties and the mediator shall agree upon the mediator's rate of compensation. The parties to the dispute shall share in the payment of the mediator's compensation with the City paying a minimum of one-third of the compensation if the City is a party to the dispute.

15. Insurance Requirements

Before commencing any work, the CONTRACTOR shall procure insurance in the CONTRACTOR'S name and maintain all insurance policies for the duration of the contract of the types and in the amounts listed. The insurance shall provide coverage against claims for injuries to persons or damages to property which may arise from operations or in connection with the performance of the work hereunder by the CONTRACTOR, his agents, representatives, employees, or subcontractors, whether such operations by himself/herself or anyone directly or indirectly employed by him/her.

A. Commercial General Liability

- 1) CONTRACTOR shall maintain Commercial General Liability (CGL) and if necessary, Commercial Umbrella Liability insurance with a total limit of not less than \$1,000,000 each occurrence for bodily injury and property damage. If such CGL insurance contains a general aggregate limit, it shall apply separately to this project/location, or the general aggregate shall be twice the required limit.
- 2) CGL insurance shall be written on Insurance Services Office (ISO) "occurrence" form CG 00 01 covering Commercial General Liability or its equivalent and shall cover the liability arising from premises, operations, independent contractors, products-completed operations, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).
- 3) The City of Wilmington, its officers, officials, agents, and employees are to be covered as additional insureds during and until completion of the work, under the CGL by endorsement CG 20 10 or an endorsement providing equivalent coverage as respects to liability arising out of activities performed by or on behalf of the CONTRACTOR; premises owned, leased or used by the CONTRACTOR; and under the commercial umbrella, if any. The coverage shall contain no special limitations on the scope of protection afforded to the City of Wilmington, its officers, officials, agents, and employees. Additional insured status for both ongoing and completed operations, in favor of City of Wilmington, its officers, officials, agents and employees, will be carried by Subcontractor performing installation.
- 4) There shall be no endorsement or modification of the CGL or Umbrella Liability limiting the scope of coverage for liability arising from explosion, collapse, underground property damage, or damage to the named insured's work, when those exposures exist.
- 5) The CONTRACTOR'S Commercial General Liability insurance shall be primary as respects the City of Wilmington, its officers, officials, agents, and employees. Any other insurance or self-insurance maintained by the City of Wilmington, its officers, officials, and employees shall be excess of and not contribute with the CONTRACTOR'S insurance.

- 6) The insurer shall agree to waive all rights of subrogation against the City of Wilmington, its officers, officials, agents, and employees for losses arising from work performed by the CONTRACTOR for the City of Wilmington.

B. Workers' Compensation and Employer's Liability

- 1) CONTRACTOR shall maintain Workers' Compensation as required by the general statutes of the State of North Carolina and Employer's Liability Insurance.
- 2) The Employer's Liability, and if necessary, Commercial Umbrella Liability insurance shall not be less than \$500,000 each accident for bodily injury by accident, \$500,000 each employee for bodily injury by disease, and \$500,000 policy limit.
- 3) The insurer shall agree to waive all rights of subrogation against the City of Wilmington, its officers, officials, and employees for losses arising from work performed by the CONTRACTOR for the City of Wilmington.

C. Business Auto Liability

- 1) CONTRACTOR shall maintain Business Auto Liability and, if necessary, Commercial Umbrella Liability insurance with a limit of not less than \$1,000,000 each accident.
- 2) Such insurance shall cover liability arising out of any auto, including owned, hired, and non-owned autos.
- 3) Business Auto coverage shall be written on ISO form CA 00 01, or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage equivalent to that provided in ISO form CA 00 01.
- 4) Pollution liability coverage equivalent to that provided under the ISO pollution liability-broadened coverage for covered autos endorsement (CA 99 48) shall be provided, and the Motor Carrier Act endorsement (MCS 90) shall be attached when those exposures exist.
- 5) The CONTRACTOR'S Business Auto Liability insurance shall be primary as respects the City of Wilmington, its officers, officials, agents, and employees. Any other insurance or self-insurance maintained by The City of Wilmington, its officers, officials, and employees shall be excess of and not contribute with the CONTRACTOR'S insurance.
- 6) CONTRACTOR waives all rights against the City of Wilmington, its officers, officials, agents, and employees for recovery of damages to the extent these damages are covered by the business auto liability or commercial umbrella liability insurance obtained by CONTRACTOR pursuant to Section 11.C.1 of this agreement.

D. Deductibles and Self-Insured Retentions

The contractor shall be solely responsible for the payment of all deductibles to which such policies are subject, whether The City of Wilmington is insured under the policy or not.

E. Miscellaneous Insurance Provisions

1) The policies are to contain, or be endorsed to contain, the following provisions:

- a. Each insurance policy required by this Agreement shall be endorsed to state that coverage shall not canceled by either party except after 30 days prior written notice has been given to The City of Wilmington, PO Box 1810, Wilmington, NC 28402-1810.
- b. If CONTRACTOR'S liability policies do not contain the standard ISO separation of insureds provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

2) Acceptability of Insurers

Insurance is to be placed with insurers licensed to do business in the State of North Carolina with an A.M. Best's rating of no less than A VII unless specific approval has been granted by The City of Wilmington.

3) Evidence of Insurance

- a. The CONTRACTOR shall furnish The City of Wilmington with a certificate(s) of insurance, executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements prior to commencing the work, and thereafter upon renewal or replacement of each certified coverage until all operations under this Agreement are deemed complete.
- b. Evidence of additional insured status shall be noted on the certificate of insurance.
- c. With respect to insurance maintained after final payment in compliance with requirements, an additional certificate(s) evidencing such coverage shall be provided to The City of Wilmington with final application for payment and thereafter upon renewal or replacement of such insurance until the expiration of the period for which such insurance must be maintained.

4) Subcontractors

CONTRACTOR shall include all subcontractors as insureds under its policies or shall furnish separate certificates for each subcontractor. All coverage for subcontractors shall be subject to all the requirements stated herein. Commercial General Liability coverage shall include independent CONTRACTORS' coverage, and the CONTRACTOR shall be responsible for assuring that all subcontractors are properly insured. Additional insured status for both ongoing and completed operations, in favor of City of Wilmington, its officer, officials, agents and employees, will be carried by Subcontractor performing installation.

A. Conditions:

- 1) The insurance required for this Agreement must be on forms acceptable to The City of Wilmington.

- 3) The CONTRACTOR shall promptly notify the Safety & Risk Manager at (910) 341-5864 of any accidents arising in the course of operations under the contract causing bodily injury or property damage.
- 4) Failure of The City of Wilmington to demand a certificate of insurance or other evidence of full compliance with these insurance requirements or failure of The City of Wilmington to identify a deficiency from evidence that is provided shall not be construed as a waiver of CONTRACTOR'S obligation to maintain such insurance.

- 5) By requiring insurance herein, The City of Wilmington does not represent that coverage and limits will necessarily be adequate to protect the CONTRACTOR and such coverage and limits shall not be deemed as a limitation of CONTRACTOR'S liability under the indemnities granted to The City of Wilmington in this Agreement.
- 6) The City of Wilmington shall have the right, but not the obligation of prohibiting CONTRACTOR or any subcontractor from entering the project site or withhold payment until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by The City of Wilmington.

16. Findings Confidential

All of the information, reports, cost estimates, plans, specifications and documents prepared or assembled by the CONTRACTOR under this contract are the property of the CITY. The CONTRACTOR agrees that any such documents shall not be made available to any individual or organization other than appropriate CITY officials without prior written approval of the CITY. Nothing contained in this paragraph shall be construed to prevent the CONTRACTOR from making information, reports, and documents available to those individuals or firms directly concerned with the project involved with prior written agreement of the CITY.

17. No Presumption

None of the Parties shall be considered the drafter of this Agreement or any provision hereof for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter hereof. This Agreement was drafted with substantial input by all Parties and their counsel, and no reliance was placed on any representations other than those contained herein.

18. Subcontracts

The CONTRACTOR shall utilize no subcontracts for carrying out the services to be performed under this Agreement without the written approval of the CITY.

22. Reference

Use of the masculine includes feminine and neuter, singular includes plural; and captions and headings are inserted for convenience of reference and do not define, describe, extend, or limit the scope of intent of the Agreement.

23. Interpretation/Governing Law

All of the terms and conditions contained herein shall be interpreted in accordance with the laws of the State of North Carolina without regard to any conflicts of law principles and subject to the exclusive jurisdiction of federal or state courts within the State of North Carolina. In the event of a conflict between the various terms and conditions contained herein or between these terms and other applicable provisions, then the more particular shall prevail over the general and the more stringent or higher standard shall prevail over the less stringent or lower standard. The place of this Agreement, its situs and forum, shall be Wilmington, New Hanover County, North Carolina, and in said County and State shall all matters, whether sounding in contract or tort relating to the validity, construction, interpretation, or enforcement of this Agreement be determined.

24. Immunity Not Waived

This Agreement is governmental in nature for the benefit of the public and is not intended to be for private profit or gain. Any fees charged hereunder are intended to reflect as closely as possible the CITY'S actual cost and neither party intends to waive its sovereign immunity by reason of this Agreement.

25. Saving Clause

If any section, subsection, paragraph, sentence, clause, phrase, or portion of this contract is for any reason held invalid, unlawful, or unconstitutional by any court of competent jurisdiction, such portion shall be deemed severable and such holding shall not affect the validity of the remaining portions hereof.

26. Other Laws and Regulations

CONTRACTOR will comply with any and all applicable federal, state and local standards, regulations, laws, statutes and ordinances including those regarding toxic, hazardous and solid waste and any pollutants; public and private nuisances; health or safety; and zoning, subdivision or other land use controls. CONTRACTOR will take all reasonably necessary, proper or required safety, preventative and remedial measures in accordance with any and all relations and directives from the North Carolina Department of Health and Human Resources, the North Carolina Office of State Human Resources, the United States Environmental Protection Agency, the North Carolina Department of Environmental Quality, Health Departments, and any other federal, state or local agency having jurisdiction, to ensure the prompt prevention or cessation (now or in the future) of violations of either the applicable provisions of such standards, regulations, laws, statutes, and ordinances or any permits or conditions issued thereunder. CONTRACTOR specifically acknowledges and agrees that CONTRACTOR, and any subcontractors it uses, has complied with, and shall continue to comply with the provisions of the federal E-Verify program in compliance with Article 2 of Chapter 64 of the North Carolina General Statutes. CONTRACTOR shall maintain adequate safeguards with respect to sensitive customer information in conformance with and pursuant to 16 C.F.R. §681.1 and in accordance with N.C. Gen. Stat. §132-1.10 and §75-65.

27. Amendments

This Agreement shall not be modified or otherwise amended except in writing signed by the parties.

28. Non-Discrimination

CONTRACTOR will take affirmative action not to discriminate against any employee or applicant for employment or otherwise illegally deny any person participation in or the benefits of the program which is the subject of this contract because of race, creed, color, sex, age, disability, or national origin. To the extent applicable, CONTRACTOR will comply with all provisions of Executive Order No. 14173 the Civil Rights Act of 1964, (P.L. 88-352) and 1968 (P.L. 90-284), and all applicable federal, state, and local laws, ordinances, rules, regulations, orders, instructions, designations and other directives promulgated to prohibit discrimination. Violation of this provision, after notice, shall be a material breach of this contract and may result, at CITY'S option, in a termination or suspension of this contract in whole or in part.

29. Non-Appropriations Clause

In the event no CITY funds or insufficient CITY funds are appropriated or otherwise available by any means whatsoever in any fiscal year for any payment due under this contract, the CITY will immediately notify CONTRACTOR of such occurrence and this contract shall create no further obligation of the CITY as to such fiscal year and shall be null and void, except as to the portions of payments for which funds shall have been appropriated and budgeted. In such event, this Agreement shall terminate on the last day of the fiscal year for which appropriations were received without penalty or expense to the CITY of any kind whatsoever.

30. Counterparts.

This Agreement may be executed in several counterparts, including separate counterparts. Each shall be an original, but all of them together constitute the same instrument.

No advertising, sales promotion or other materials of the CONTRACTOR or its agents or representations may identify or reference this contract or the CITY in any manner absent the written consent of the CITY. Notwithstanding the foregoing, the parties agree that the CONTRACTOR may list the CITY as a reference in response to requests for proposals and may identify the CITY as a customer in presentations to potential customers.

32. CITY Not Liable for Special or Consequential Damages

The CITY shall not be liable to the CONTRACTOR, its agents or representatives or any subcontractor for or on account of any stoppages or delay in the performance of any obligations of the CITY, or any other consequential, indirect, or special damages or lost profits related to this Agreement.

33. Public Records

CONTRACTOR acknowledges that the CITY is a public entity, subject to North Carolina's public records laws (N.C. Gen. CONTRACTOR must also specifically identify the trade secrets or other proprietary data that CONTRACTOR believes should remain confidential.

In the event the CITY determines it is legally required to disclose pursuant to law any documents or information CONTRACTOR deems confidential trade secrets or proprietary data, the CITY, to the extent possible, will provide CONTRACTOR with prompt written notice by certified mail, fax, email, or other method that tracks delivery status of the requirement to disclose the information so CONTRACTOR may seek a protective order from a court having jurisdiction over the matter or obtain other appropriate remedies. The notice will include a period of time for the CONTRACTOR to seek court-order protection or other legal remedies as deemed appropriate by CONTRACTOR. If CONTRACTOR does not obtain such court ordered protection by the expiration of said time period, the CITY may release the information without further notice to CONTRACTOR.
