Fit For Fun Center

The Fit For Fun Center is an interactive facility for parents and children ages five and under.

We offer an age-appropriate play environment that encourages education, physical activity, social interaction and self-expression. Our goal is to provide families an inclusive space for fitness, fun, and fellowship.

Adults and children under six months old play for free! Children 10 and older are permitted for free as parent helpers.

We have indoor play areas, an art room, snack tables and a fully fenced outdoor playground. Popular activities include music, painting, parachute play, and special events throughout the year.
