

Create Wilmington Comprehensive Plan

CAROLINA PLACE-ARDMORE

Neighborhood Planning Area Meeting

SUMMARY REPORT

Thursday, February 20th, 6:30pm
New Hanover High School
Attendance: 51

KEEP IT!

What you like most about your neighborhood

public transportation

Historic single-family character, parks and open space, active community with lots of events, trees, compatible uses, sidewalks and bike paths, our diversity, proximity to downtown, schools in the neighborhood, Wrightsville Avenue one-way, our alleys, and access to

CHANGE IT!

What changes you would make

compatible single-family, more compatible commercial development, improve traffic flow and safety on 16th and 17th streets, underground utilities, more green space, more bike friendly, more compatible uses on Castle Street, redevelop/reuse Carolina Farming site, clean up the creek, and more compatible infill

Sidewalk and pedestrian improvements, more police patrols, neighborhood traffic calming, traffic and safety improvements on Market Street, more lighting on streets and alleys and around parks, more code enforcement, park improvements, redevelop ABC site with

DREAM IT!

Your big ideas

lines, a grocery store, better street and alleyway lighting, bring back the trolley, more sidewalks and crosswalks, streetscape improvements, more shops and restaurants, a neighborhood hang out or pub, pedestrian bridge/safer crossing across Market Street, more affordable housing opportunities, public art in the parks, expand urban farming options, economic development on Castle Street, city-wide wifi, and increase maintenance of Wallace Park

More sports and activities at Wallace Park, traffic calming within the neighborhood, increased code enforcement, bike lanes and bike trails, fenced dog park, Market Street road diet, community gardens, more police patrols, redevelop underutilized sites, underground power
