Community Meeting 3/18/14 - Results

DAILY NEEDS	RECREATION	EMPLOYMENT
Need better transportation to doctor visits and getting groceries (can't carry a lot)	Enjoy Greenfield Park, feed ducks, walk, fish, nice weather	Transportation is a major barrier for employment, difficult to get to work or find work without adequate transportation
Crosswalks are difficult to use and are not safe	Need parks closer	Bus service is not consistent, doesn't run at night or on holidays, can't get to work
Bus stops across town are not close to destinations/services	Need a recreation center for a place to get out of the weather, play games (cards, chess, checkers) and socialize	Need better bus stops with shelters
Wait time for the bus (2+ hours) is too long	Not enough recreational activities for older residents	Need basic computer skills training in local community center
Need more sidewalks between bus stops and medical services	Need more recreational activities after school and in the summer	Need access to job opportunities in local community center
Need better signage and information about bus schedule for bus riders, most people don't know how to ride the bus	Lack of transportation to take part in recreation activities	Access to jobs for the disabled, need to educate employers
Sidewalks in area need to be repaired	Need basketball, soccer, and baseball teams and/or leagues for the neighborhood	Need affordable day care, day care on job site
Discounted bus fares for public housing residents	Need to get information about area athletic leagues out to the residents of the neighborhood	A call center would be a good employment opportunity for the area
Too difficult to utilize senior discount for bus service, must have a Medicare/Medicaid card, should be allowed to use ID		Need better job information outreach
Discounts for parents who need to ride the bus to take children shopping or to the doctor		Need training for hospital jobs
Need van that takes residents to the store twice a month to get more groceries/items		Need more incentives for housing authority residents to seek employment, rent increases with more income, need to encourage achievement
