

Create Wilmington Comprehensive Plan

PINE VALLEY

Neighborhood Planning Area Meeting

SUMMARY REPORT

Thursday, November 21th, 6:30pm
Pine Valley Elementary School
Attendance: 106

KEEP IT!

What you like most about your neighborhood

Trees, green space and natural areas, residential character, bicycle and pedestrian facilities, parks and recreational opportunities, neighborhood schools, convenience to goods and services, the country club and golf course, the fire station, the museum, safe community, lower speed limits on neighborhood streets, the senior center, proximity to healthcare, and the historic civil war area

CHANGE IT!

What changes you would make

Bicycle and pedestrian improvements, traffic improvements, infrastructure improvements, more parks and park improvements, stop destruction of trees and green space, lower traffic speeds within the neighborhood, improve crime and safety, better property maintenance, school improvements, more street lights, streetscape improvements, fix school traffic, need sound/light buffers from adjacent roadways and commercial areas, more shopping, dining and entertainment options, bury utilities, improve traffic flow on S. College Rd, and less government

DREAM IT!

Your big ideas

Bicycle and pedestrian improvements, more parks and recreational opportunities, slower traffic within the neighborhood, streetscape improvements, improved traffic flow on major roadways, redevelop Pine Valley Elementary School, save trees and green space, protect the residential character, roadway improvements, crosswalks, improved infrastructure, more shopping and dining options, greater police presence, limit multi-family, commercial and office development, less light and noise pollution, create a community watch, improve drainage, a movie theater, preserve historic civil war area, no low income housing, improved access to commercial areas, redesign Long Leaf Mall, and lower taxes and fees
