

The Government Finance Officers Association of the United States and Canada (GFOA) presented an award of Distinguished Budget Presentation and Special Performance Measures Recognition to the City of Wilmington for its annual budget for the fiscal year beginning July 1, 2010.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device.

The award is valid for a period of one year only. We believe that our current budget continues to conform to program requirements and we are submitting it to GFOA to determine its eligibility for another award.
